A diagram illustrating nested divs with CSS properties. At the top is a solid black horizontal bar. Below it is a large yellow rectangle representing the outermost container. Inside this yellow rectangle, there are two nested gray rectangles. The top gray rectangle is outlined with a red border and contains the text 'ClearPropertyValue.BOTH, FloatPropertyValue.NONE'. The bottom gray rectangle is outlined with a blue border and contains two lines of text: 'Div with HorizontalAlignment.LEFT, ClearPropertyValue.BOTH, FloatPropertyValue.RIGHT' and 'Div with HorizontalAlignment.RIGHT, ClearPropertyValue.BOTH, FloatPropertyValue.LEFT'. This second gray rectangle is further nested, containing a green rectangle outlined with a green border.
